Assigning Credit for Teaching Category 1 Live Activities

Faculty for a live CME activity may be awarded two (2) AMA PRA Category 1 Credits for each hour they present at a live activity. However they may not claim simultaneous credit as physician learners for sessions at which they present. They may, however claim participant credit for other sessions they attend as learners at a designated live activity.

Credit may only be claimed once for repeated presentations.

Save the Date Announcements

A “save the date” announcement (such as a card mailer with limited space) may indicate that AMA PRA Category 1 Credit will be provided without stating an exact amount, but only if the provider has already certified the activity for AMA PRA Category 1 Credit. This announcement may read “This Activity has been approved for AMA PRA Category 1 Credit.”

Providers may **never** publish or announce that “AMA PRA Credit has been applied for”.

2006 Annual Report Process and Timeline

As was communicated earlier, the 2006 Annual Report data entry and reporting process will take place on the ACCME Online System. Immediately after the first of the year, ACCME will post the following tools to support the process.

- Annual Report Form (all data must be submitted to the ACCME through the online system)
- Glossary Definitions
- Frequently Asked Questions and Answers for Providers

At that time, NSMA will distribute each provider’s login and password. Access to the online system for data entry will be available as of **January 15, 2007**. **All annual reports will be due on or before March 30, 2007**. Please be sure to meet the deadline so your accreditation status won’t be in jeopardy.
